**Attention: Student Ministry Leaders and Potential Student Ministry Leaders
(Dedicated People Only)**

First let me say that I am so excited about moving to Pikeville and the opportunity to see God transform many of these students. Since the first time we met the people in Pikeville, Julie and I began to have a love for you all. We cannot say enough that we are so thankful for the way we were treated during the search process.

We are scheduled to move on May 14, 2008. My first Sunday will be May 18, 2008.

I am very passionate about seeing the students' hearts transformed. I know that no matter how much I do or how hard I try, I can not do anything without Christ's power and the help of you. My format of ministry is **“TEAM”** based. We will all work together and we will work hard. In the light of being a **TEAM**, it is important that we all get on the same game plan.

With that said, I would like to invite you to attend a leaders' meeting on May 17, 2008, from 6:30pm-8:30pm. This is as close to a *mandatory meeting as* one can get...that was joke—sort of.

This meeting will inform you on everything you can think of about the new student ministry. We will have 4 sessions with a snack break included.

Session One: Where Are We Going? (Purpose, direction, theme, new name revealed.)

Session Two: What's My Role? (Being a team player, knowing how to use my strengths)

Session Three: What Do I Do? (Small group training)

Session Four: Our New Face (Interactive session, ideas, trips, room plans, etc.)

This meeting will be a great time of fun and a great chance for us all to get pumped up about seeing students change.. Please try to attend. Here is what you need to know...
